Traditional meets modern in this recently constructed stunner! No expenses were spared as this home was custom built by a builder to be his own home. Over 9,000 square feet of living space on 2 acres in the south side of Weston, minutes from the Mass Pike and 95. Soaring ceilings and amazing natural light floods this open concept home with all of the amenities you could seek! First floor master Suite extraordinary with not only 2 walk-in closets but 2 master bathrooms! The 2nd floor provides a 2nd master suite along with 3 bedrooms with en suite bathrooms and walk-in-closets. Massive playroom on the 3rd floor, while the lower level features a restaurateur-designed wine cellar and kitchenette, state-of-the-art home theater, gym, hobby room, full bathroom and massive storage space. Set back from the road with 360 degrees of trees and privacy, oversized bluestone patio with chef-inspired top of the line stainless exterior kitchen, stone garden and walls, and 3-car oversized heated garage with 2 EV hookups. A marriage of modern design and elements of charm and character flow seamlessly together to create this one of a kind estate. An absolute must see!
